### DUNBAR GRADE SCHOOL NEWS

The State Teachers' Association meets in Tulsa at Thanksgiving. It is to be hoped that the homes of Tulsa will welcome our guests and all will be well cared for. The County and City Teachers will meet on Saturday at 2 p. m., at Booker Washington High School to consider ways and means of entertaining and caring for the Association.

The most interesting meeting held so far by the Parent-Teachers Association was held last Friday afternoon. The weather was lovely and over fifty parents and patrons were present. Mrs. Greene, recently from Africa, made a splendid lecture on Liberia pointing out very forcibly the many benefits to be derived from living in Loooooosooooo c rived from living in Liberia. After her splendid lecture she answered questions that the audience asked her concerning the customs of that country. Prof. Hughes thanked Mrs. Greene for her lecture and put before the body the marked contrast to be found in the schools in our country and those in Liberia and asked are we making the most of our advantages. He also put forth very clearly the ideals and aims of the Parent-Teachers Association.

The following officers were elected for the ensuing year: President Mrs. Taylor; vice president, Mrs. Georgia Brown; Secretary, Mrs. Collins; Assistant Secretary, Mrs. M. Boothe; Treasurer, Mrs. Monroe; News Reporter, Mrs. M. Boothe, Director of Cafeteria, Miss B. Woodford; Assistant Director, Mrs. Taylor.

Thanks were tendered the retiring officers by the association. The matter of the school play park was taken up and discussed. It was decided that our first slide s such a success that we need another. The Association is to plan some form of entertainment for the Teachers' State Meeting.

Dunbar Grade met Sapulpa Public School team in foot ball last Thursday. The score was 8-0 in favor of Dunbar.

Miss Blanche Woodford was out of school last week on account of illness and her place was filled by Mrs. J. T. Braxton.

Prof. Hughes announces a very profitable meeting with the Primary Teachers last Wednesday afternoon. The departmental teachers will meet Wednesday, Oct. 27th at 4 p. m.

The Cafeteria has been given 50 new chairs. Miss Woodford, our able director, is well pleased with the appearance of the cafeteria. We are still having a large patronage from our schools. Visitors are always cordially invited to have a meal with us.

The Girl Reserves met with Miss Webber last Thursday afternoon. A very enjoyable program was rendered. The girls are working on moral character this year. A program and social are planned for next Monday, that being Halloween day.

This is the week in which tests are to be given the pupils. The first six weeks work has been especially well done by the pupils. Cards are to be sent to the Parents for examination into what the pupils are doing in their various subjects. There is explanation of the marking system on the back of the cards. Parents will please compare grades with this system, where pupils are not doing well see that more time is used for study on these subjects in the home.

### Dunbar School Defeats Claremore 8-0

Dunbar School came out the victor last Thursday when they clashed with the Claremore Eleven. It was a fast and hard fought game all the way through. Jack Johnson and Ellihue were the stars. We will be ready for them again soon, said Prof. Braxton, the Dunbar Coach. Dunbar and Washington High School are expected to clash soon. The B. W. H. S. second team is very anxious for Dunbar School as they have not been in a real

game this year. If Washington High can handle the Dunbar Eleven they will have several good games this season.
